Internship & Work Experience

Kingway International Education & Migration | Marketing Intern Jun 2026 – Present

- Produce bilingual Chinese–English content for the company website, WeChat Official Account, WeChat Channels, Xiaohongshu and exhibition materials, turning complex policy and service information into clear, accurate public-facing messaging.
- Support Australian education fairs and offline events by coordinating consultants, management, design teams and on-site resources; prepare bilingual materials and follow up on post-event actions.
- Optimise content topics based on enquiry feedback and platform data; Xiaohongshu content generates an average of 2–3 qualified enquiries per day.

FleishmanHillard, Shanghai | Public Relations Intern Oct 2025 – Jan 2026

- Supported integrated communications projects for international brands, coordinating media, KOLs, artist teams and internal teams to advance media visits, product seeding, materials and delivery milestones.
- Monitored 30+ media outlets and competitor activities daily, analysing communication themes, partnership models and event formats to inform project adjustments and post-campaign reviews.
- Wrote 8 press releases and KOL briefs and liaised with 50+ external partners; contributed to creative ideation, run-of-show design, guest reception and on-site execution for 2 offline events.

Suzhou Kada Network Technology Co., Ltd. | Marketing & Planning Specialist Mar 2023 – Jul 2023

- Developed B2B SaaS marketing plans for European and North American markets, planning SEM, SEO and English-language content around products, target industries and regional differences.
- Managed 5–8 Google Ads campaigns, researched 500+ keywords and maintained negative keyword lists, optimising campaign structure and ad copy based on search intent, CTR and CPA.
- Managed website SEO and ran A/B tests on 20+ ad creatives; consolidated data in Google Analytics and delivered recommendations for acquisition and conversion.

Projects

Guerlain 2026 Chinese New Year Campaign (FleishmanHillard) | Project Team Member Dec 2025 – Jan 2026

- Analysed competitor strategies, past cases and market trends; contributed to the communication themes, content direction and offline event planning of the Chinese New Year integrated campaign.

Chi Bodycare AI Co-Creation Website | Product Planning & Project Coordination Jun 2026 – Present

- Mapped the user journey from service discovery to online booking for a local service provider; used AI tools to refine content and feature proposals, and iterated page copy and flows through testing.
- Proposed improvements to page flow, loading speed and error messages based on testing feedback.

Adelaide Park Lands World Heritage Communication Plan | Project Team Member Mar 2026 – Jun 2026

- Researched the concerns and communication barriers of government, community and public audiences; designed a strategic narrative and cross-platform communication pathway for diverse stakeholders.
